

Character: Madam Fifi

Performed With: Mikey

Performance Note: Super Duper Alien Hunters is an offbeat comedy set within a world of quirky characters. We encourage the “strange and unusual” during your performance.

MADAM FIFI (sultry voice)

Looks like you're in need of a seafaring vessel...

Perhaps someone with my wonderous abilities can be of help.

Mikey sees Madam Fifi and is starstruck. She is a spectacular woman wearing a brightly colored bandana, striking vest, black pants and tall boots. She resembles a misfit gypsy, and her body tends to sway about like a genie.

MIKEY

Madam Fifi!?

She offers her signature smile combined with a flourish of a curtsy.

MADAM FIFI

Guilty as charged. I must say it's always lovely to be recognized.

MIKEY

You performed at my second cousin's eighth birthday party!

You're amazing!

MADAM FIFI

Thank you, darling. I do my best to impress. Looks like my magical charms worked on you. I know I'm quite breathtaking, my love, but please don't pass out in my presence. My sensational talents don't extend to medical emergencies.

MIKEY

Can you really read minds?

MADAM FIFI

No, honey. I tell fortunes, remember?

MIKEY

Oh yeah, that's right. Sorry, I get nervous around celebrities.

MADAM FIFI

Don't worry, darling. It happens all the time. But you mustn't forget, celebrities are people too... We're just more important, that's all... I do feel sorry for you, though, my love... Meeting Madam Fifi in the flesh [moves her body with flair] is undoubtedly a mind-blowing experience.
